Dear Mr. Becker:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

FOREST RIVER/FLAGSTAFF/2019  
FOREST RIVER/ROCKWOOD/2019

**Mfr's Report Date:** February 1, 2019

**NHTSA Campaign Number:** 19V-069

**Components:**

SERVICE BRAKES, ELECTRIC

**Potential Number of Units Affected:** 2,454

**Problem Description:**

Forest River, Inc. (Forest River) is recalling certain 2019 Flagstaff and Rockwood recreational trailers. The break-away safety switch may be improperly wired, and as a result, the trailer brakes will not apply in the event that the trailer disconnects from the tow vehicle.

**Consequence:**

The trailer's inability to apply the brakes in the event of a separation can increase the risk of crash.

**Remedy:**

Forest River will notify owners, and dealers will install a new wiring harness to maintain the supply of power to the brake system, free of charge. The recall began February 25, 2019. Owners may contact Forest River customer service at 1-574-642-2640. Forest River's number for this recall is 10B-0943.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to Forest River's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
